El Paraiso is about 12 minutes drive west of Marbella, 7 minutes west of San Pedro and 8 minutes east of Estepona. Paraiso Alto is characterized by quiet triangular hilly side streets that are home to some of the most impressive private villas found in all of southern Spain. Almost all the properties in Paraiso Alto have one thing in common: outstanding views of the sea, the golf and the mountains. What makes the El Paraiso area appealing to the more discerning property buyers is not only that it is an attractively landscaped and immaculately kept area, but also that it is blessed with a mild peaceful aura that is hard to find in other perhaps more developed areas. on the Costa del Sol. Here you will also find a nice four star hotel, El Paraiso, and a great 18-hole golf course with associated club and various tournaments, including a celebrity Pro-Am, which is held here every year. Nearby there is a very good facility for tennis and paddle. On the beautiful beaches you can do water sports of various kinds. Los Flamingos is right next to El Paraiso. Here is a par 64 executive course with an American golf academy. It also boasts the five-star Villa Padierna Hotel and spa. The hotel has recently been named one of the 30 leading hotels in the world. All facilities are available at the commercial center nearby, such as restaurants, supermarkets, bank, travel agency and a variety of other professional services. To conclude, a visit is highly recommended, since seeing is believing, because this is truly a wonderful property on the Costa del Sol, perfect for you and your family. 3D walk through and a video is available.
