It also includes a driveway with a garage and numerous additional features, all of which are detailed below. Spacious and Sunlit Interior: Spread over 4 levels, all connected via a state-of-the-art glass elevator, this home offers generous spaces and an optimized layout. The open-plan concept includes an entrance hall, a living room with a vaulted ceiling and an open fireplace, an elegant dining area, and a modern, fully-equipped Gaggenau kitchen with sleek black granite countertops. At the back of the living area, you can access a sunny, well-furnished terrace that connects to the garden via stairs. On this level, there is also a versatile room with a sofa bed and a large television, which can serve as a fifth bedroom or a cozy retreat, complete with an ensuite bathroom. Taking the elevator down to the main floor, you'll find the fabulous master bedroom, featuring an oversized king-size bed and a round open bathtub overlooking the pool and garden. The luxurious decor, elegant lighting, high-quality furnishings, and exquisite silk curtains give this space a touch of opulence. The spacious master bathroom, like all the bathrooms in the house, is adorned with luxurious black marble and includes a large double shower, a double sink, a toilet, and a bidet. There is a door from the bathroom that opens directly to the garden, providing outdoor access without needing to use the elevator. To the left of the elevator, you enter the second bedroom (BR2), designed in a unique layout featuring an elegant king-size bed, a separate shower and toilet, and an adjacent sink area, all adorned with beautiful silk curtains. A lovely staircase guides you from the master suite to a custom-made dressing area located on level -1. Adjacent to this area, on both sides of the elevator, are two guest bedrooms. To the right, the spacious children's room (BR3) features a single bed with an ensuite bathroom that includes a bathtub and sink, as well as a separate toilet. On the opposite side, there is another guest room (BR4) equipped with a double bed and an ensuite shower room, with a charming underwater window looking into the pool.
