Overview:This is a one□of□a□kind villa in Torreblanca, Fuengirola, offering a rare level of privacy and space within walking distance of the sea. Designed for comfortable everyday living as much as for hosting, it combines generous interiors with large, open gardens and wide sea views. The main house is set all on one level, with 5 bedrooms and 4 bathrooms arranged to give each room privacy while keeping a practical layout. The living areas open to the terraces and garden, so it is easy to move between inside and outside. Large windows bring in natural light and provide views of the garden and the sea. For relaxation and wellness at home, the property includes its own private pool, jacuzzi, sauna and gym, offering a complete spa□like experience without leaving the house. The garden is extensive and largely flat, with multiple areas for sun, shade, and outdoor dining, all set against the backdrop of the coastline. A separate guest house with its own private kitchen allows friends or family to stay with full independence and comfort. There is also a substantial garage with capacity for more than six cars, ideal for car enthusiasts or anyone needing secure, covered parking on a larger scale. A private elevator connects the different levels of the property, making daily life easier and more accessible. Altogether, this villa stands out not just for its features, but for the feeling of seclusion and exclusivity it offers so close to the sea. It is a property created for those who value space, privacy, and the ability to enjoy a complete lifestyle at home.
