It has two ensuite bedrooms, a guest bathroom, and an open-plan living space that connects the kitchen, dining, and lounge areas. Floor-to-ceiling windows fill the home with natural light and open onto a large terrace with views of the sea, mountains, and golf course. Every detail of this penthouse is designed for comfort and style. Features include under-floor heating, solar energy, and a private laundry room. The semi-covered terrace is perfect for dining outdoors or relaxing in the evening while enjoying the view of the gardens and coastline.
