The main living area features a spacious lounge with fireplace and an elegant high-end open-plan kitchen, designed to combine style, functionality and everyday comfort. The villa also includes a laundry room and an additional room that can be used as a small gym, storage area or multipurpose space. Outside, the property has been designed to make the most of the Costa del Sol lifestyle, offering a private garden, swimming pool, several terraces and a charming porch, creating different areas for relaxing, entertaining or enjoying outdoor dining throughout the year. Additional features include a garage for 2 cars, home automation system, alarm system, athermal system and solar panels, ensuring comfort, security and energy efficiency.
